Brief Board Reports:

Treasurer: checking account balance-\$11890.03

Registrar: online registration will be open November 1

Travel Coordinator: girls- Bill reported there will be a vote at the LANCO meeting regarding move to small-sided play. May move to 8v8 for U12 and below, or may transition to this in the next year or two.

Travel Coordinator: boys-Brooks reports the coaches are meeting each month. There was discussion about having coaches rating players at tryouts to fill their own teams. Several presented the view that it is a fair system for unbiased people to rate the players. Coaches do have the option of adding up to 4 players. All the boys teams are looking for more players to fill rosters for the spring. Plan to schedule a winter tryout date for this. Considering a U9 team for the spring if a coach can be found and there is enough interest.

Parent request to move daughter up to U10 rec in the spring *approved this request so long as it does not impact an age appropriate player having a slot on the team.* Lyn will contact parents.
